

Research #1

Level of difficulty: Medium

1. Go to the *Kazoom* page that features Dazza. What brand of motorbike is he riding? What three paint colours have been used on his bike?

2. Go to the *Kazoom* page that features Lester. What brand of motorbike is he riding? Use the internet to find out which three colours are used on the badge of that motorbike brand.

3. Why do those two motorbike brands use the same three colours?

[HINT: Find out which country those motorbikes are made in.]

4. Find out the names of two other motorbikes and one motor scooter made in the same country.

[HINT: Read the page ‘What bike is that?’ near the end of *Kazoom*.]
